Refugio Scribe Published Databases.piz

Hi Harry,

Here's a .zip (please name back to .zip) file that contains the following Scribe Databases that were published to Scribe.NET:

[2549] Refugio Oil Spill: Last published 6/5/15 by UNK

[2553] 107292_refugio_ca: Last published 6/2/15 by Peter Forman-CTEH

[2562] OSPR Refugio: Last published 6/6/15 by Shane Stahl-CDFW/OSPR

[2563] 107292_refugio_ca: Last published 5/26/16 by Peter Forman-CTEH

[2567] USCG_Refugio: Last published by Rom Matthews-USCG

[2570] NOAA_Refugio: Last published 6/4/15 by Scott Miles-LSU

Once unzipped they will be .mdb's that can be opened in MS Access or through the Scribe program (File | Open Project). If you need anything else, let us know.

If the Scribe program will be used to view the data, the program can be downloaded by visiting www.ertsupport.org. Click on Downloads. You/They will need to fill out a short registration form (if this is the first time visiting and downloading from this site).

If you have any questions or require any additional information, please don't hesitate to call us at 1-800-999-6990 or email us at ertsupport@epa.gov.

Susan
